2012 MCPHO Housing Fair

We live or do business in one of the most affluent counties in the country. We can often lose sight of the difficulties many buyers face trying to obtain (and keep) the dream of homeownership. Within Montgomery County, there are many non-profit organizations and government sponsored programs willing to assist homebuyers and homeowners with counseling and financial assistance. Many lending institutions offer low cost loans to further enable the potential homebuyer and homeowner to "break the barrier".

The 2012 Housing Fair is free to the public. The Fair will include an exhibitor area consisting of more than 25 booths available to non-profits, banks, mortgage companies, realtors, insurance companies, home inspectors, credit companies and other housing-related organizations. There is an early bird special for the booth rental fee. Space will be assigned on a first-come, first-served basis and booths with electricity are very limited! See the enclosed registration form for cost details.

The objective of the Housing Fair is to provide information on how to purchase and retain a home in Montgomery County. Our workshops address many issues including improving credit scores, finding first-time buyers grants, using a realtor, getting a mortgage and much more. It will also include topics for current homeowners such as foreclosure prevention. Information on the workshops and the complete schedule will be available on our website - www.mcpho.org.
